II. The above is an extract of the detailed format of unaudited financial results for quarter and six months ended September 30, 2022, filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of financial results (Consolidated & Standalone) for the quarter and six months ended September 30, 2022, are available on the Company's website www.maxhealthcare.in and also on the Stock Exchanges websites (www.bseindia.com and www.nseindia.com).

III. The above unaudited financial results (Standalone & Consolidated) for the quarter and six months ended September 30, 2022, have been reviewed by the Audit & Risk Management Committee and approved by the Board of Directors on November 1, 2022. These were subjected to limited review by the statutory auditors. Detailed Haskins & Sells review report is unmodified.

IV. The Board of Max Healthcare Institute Limited (the Company) has earlier noted approval by the board of Saker City Hospitals Limited ("SCHL"), a wholly owned subsidiary of the Company for voluntary liquidation of SCHL under the provisions of Insolvency and Bankruptcy Code, 2016, wherein the business undertaking of SCHL was sought to be distributed to the Company on a going concern basis. The shareholders of SCHL, at their Extra-Ordinary General Meeting held on June 20, 2022, also accorded approval for the voluntary liquidation of SCHL. On August 31, 2022, the liquidator of SCHL based on the approved scheme has distributed the entire business undertaking of SCHL to the Company on a going concern basis. The said distribution of business undertaking has been accounted for using the pooling of interests method in accordance with Appendix C of Ind AS 103 Business combinations of entities under common control. Accordingly, the comparative standalone financial information for the previous periods have been restated to give effect of the acquisition of business undertaking from beginning of the period disclosed and all assets, liabilities and reserves of SCHL, together with intangible assets - long term service agreements and related deferred tax liability which were appearing in the consolidated financial statements are now part of the standalone financial statements of the Company. Further, intercompany balances including the related investment in SCHL appearing in the books of the Company have been eliminated. The above distribution resulted in inter-alia recognition of long term service agreements in block of intangible assets in tax books of the Company at fair value on August 31, 2022. Accordingly, deferred tax liability recognised upon an earlier business combination, has been reversed, resulting in deferred tax credit of INR. 28,250 Lakhs which is recognised in statement of profit or loss. Further, retained capital gains tax of INR. 3,828 Lakhs arising on account of difference in fair value of assets received upon distribution vis-a-vis the indexed value of the Company's investments in SCHL, has been recorded as part of current tax expense.

*Exceptional items defined in the Statement of Profit and Loss in accordance with Ind-AS.
