Enforce one hand bag rule: Govt

But airlines say hard to implement as rule allows items like laptop bag, gifts from duty-free shops

New Delhi, 21 January

viation security regulator, the Bureau of Civil Aviation Security (BCAS), has asked airlines to strictly enforce the one hand bag per passenger rule to ease congestion at airports.

In a memo, BCAS said: "It has been seen that an average passenger carries 2-3 hand bags to the screening point. This has led to increased clearance time as well as delays, congestion and inconvenience to passengers. It is, therefore, felt that enforcement of the aforesaid circulars must be ensured by all stakeholders," it added.

"All airlines and airport for pre-embarkation security operators may be instructed to take steps to implement 'One Hand Bag rule' meticulously on ground to ease out the congestion and other security concerns. Airlines may be made responsible and depute staff to guide passengers and check and verify their hand bag status before allowing the passenger

However, airline executives said the regulator's own rules allows passengers to carry multiple other items along with one hand bag making the rule virtually impossible to implement.

Besides one hand baggage, the rules permit a passenger to

carry one laptop bag, one ladies' hand bag, and one blanket, gift item purchased from duty free shop, umbrella, and a reasonable amount of reading material on board an aircraft.

Net NPAs, on the other hand, stood at 1.7 per cent, "By March-end, our gross NPAs should come down to 17 per cent, and by the end of March 2023, it should come down to less than 12 per cent through recoveries and trans-

fer of bad assets to the NARCL."

CEO of IDBI Bank.

While banks have identified the bad assets that are to be transferred to NARCL, the process of transferring these accounts has not started yet. "We were expecting some accounts to be transferred by December-end, but that has not happened. We are quite hopeful that by March the process of transferring accounts to NARCL will start," he said. "So far as IDBI Bank is concerned, we have identified such assets worth ₹11.000 crore," he said.

The subdued earnings could pinch investors as the Street is hoping for sharp growth in earnings over the next several quarters to justify premium valuations. "Rate hike worries amid rising inflation, elevated bond yields, ongoing geopolitical tension, and surge in oil prices are weighing on sentiment. As the recent earnings failed to excite the market, the earnings outcomes in the coming week will be a key factor in determining investor confidence," said Vinod Nair, head of research at Geojit Financial Services. Only eight of the 30 Sensex components ended with gains on Friday.

Co-op banks...

Neither do they get the Emergency Credit Line Guarantee Scheme (ECLGS) facility, even though many of them cater to sectors classified as priority sectors. In the memorandum, Sahakar Bharati has requested that activities that are allowed for commercial banks should be extended to cooperative banks

The aggregate balance sheet size of the cooperative banking sector was ₹18.8 trillion as of March 31, 2020, which is about 10 per cent of the scheduled commercial banks' (SCBs') consolidated balance sheet, down from 19.4 per cent in 2004-05, according to RBI data. Over time, the relative size and influence of cooperative banks has shrunk, the RBI observed in its annual Trends and Progress Report.

Sahakar Bharti requested that a separate section be set up in the Department of Financial Services in the finance ministry for cooperative financial institutions. "We have been requesting this for quite some time that in the Department of Financial Services, a section to be set up, which looks after the requirements of the co-operative financial institutions," said Satish Marathe, the founder member of Sahakar Bharati.

"When I say cooperative financial institutions, includes all types of cooperatives that are engaged in financial services, including credit cooperative societies. There are over 100,000 such societies," Marathe, who is also a member of the central board of the RBL said.

In 2019, a committee formed by the RBI suggested that an umbrella organisation be created with a minimum capital of ₹300 crore that can act as a self-regulatory body for small UCBs. Marathe said a request has been made that the initial capital for the umbrella organisation should come from the central government or the RBI, which can be redeemed over 5-7 years. Sahakar Bharati also asked for differential tax treatment for depositors of cooperative banks vis-à-vis SCBs to be done away with, SCB depositors can avail of the benefit under section 80C for deposits of over five years.

IDBI Bank...

It's not just IDBI Bank. With LIC's listing just round the corner, other divestment and proposals have taken a back seat. A second official said that taking LIC public before March 31, 2022, is the top priority for the government to ensure that the Centre comes as close to the FY22 budgeted target of ₹1.75 trillion as possible.

As reported, the planned big-ticket privatisation of Bharat Petroleum may spill over to the next financial year as many bidders have not been retail revenues at ₹50.654 crore.

consortium to finance the deal. This is due in part to the fact that there continues to be considerable global macroeconomic uncertainty over the Covid-19 pandemic. Besides, there is volatility in the energy markets Moreover due diligence for the sale of BPCL has taken longer than anticipated. Interested bidders had got access to the refiner's financial data in April, but have seen delays in completing due diligence on account of disruptions owing to the pandemic. With manpower and

resources focussed on the LIC IPO, the work on privatising other state-owned candidates has slowed down. These include Shipping Corporation of India, Container Corp, Central Electronics, Pawan Hans, and Nilachal Ispat Nigam.

The company's finance cost declined 11.9 per cent on a yearon-vear (v-o-v) basis, further strengthening the net profit in the December quarter.

Within the business segments, oil-to-chemicals (O2C) revenues jumped 57 per cent to ₹1.31.427 crore, followed by

Bandhan Bank LT Fin Holding profit up 35.8% Net profit of MFI-turned-private lender

Bandhan Bank increased 35.8 per cent at ₹858.9 crore during the third quarter of current fiscal, registering a rise from ₹632.6 crore in the similar previous period.

MD and CEO of Bandhan Bank, Chandra Sekhar Ghosh told reporters on Friday that the quarter ending December has been a good one for the bank and growth has bounced back after the depressing first quarter of current fiscal.

In Q2FY22, the bank reported a loss of ₹3,009 crore due to higher provisioning.

Q3netup12% LT Finance Holdings (LTFH) on Friday

reported a 12 per cent rise in net profit at ₹326 crore in third quarter ended December 2021 (O3FY22) on improvement in net interest margin and fees. It had posted a net profit of ₹291 crore in

Q3FY21. Sequentially the net profit rose by 46 per cent from ₹224 crore in Q2FY22. LTFH stock closed 3.3 per cent lower at ₹75.55 per share on BSE. Dinanath Dubhashi, MD & CEO said continuous retailisation of lending book will push NIMs up.
